OnGuard 'ACEProSTEMM Primary' Product Guide

Training Units listed by Curriculum Pack

Our OnGuard ACEProSTEMM program is designed to specifically meet the needs of the Australian education sector. We can tailor the training sessions to your specific STEM curriculum requirements. Training sessions can be subscribed to per pack or individually.

ACEProSTEMM – At start-up there is a "Teacher Registration". It is a once-off payment. It is \$30 + GST per teacher. Each Curriculum Pack has a subscription price for the FIRST year of subscription. Then, each year after, the same amount – "Annual Subscription" – is paid. You will be invoiced annually on your account anniversary.
