OnGuard ACEProPLUS Product – Feature Summary

Features	ACEProPLUS
Student ICT Engagement	✓
Teacher ICT Use	✓
Student Literacy Engagement	✓
'Cloud' delivery – browsers IE, Mozilla, Safari	✓
SOP Training, Recording and Tracking	✓
Safe Operating Procedures – Browser Presentation	✓
Safe Work Knowledge Tests – Browser – Self marking	✓
Safe Work Knowledge Tests – Review feature	✓
Safety Certificates – computer generated on 100% test results	✓
Safe Operating Procedures – PDF	✓
Safety Tutorials – PDF	✓
Text-to-Speech Voice Player in SOPs	✓
Student Self Enrolment – optional	✓
Student History Reporting	✓
Course History Reporting	✓
Training Session History Reporting	✓
Import Student Users	✓
Import Teacher Users	✓
Look up Student Login Details	✓
Create / import individual courses	✓
Duplicate existing courses	✓
Set Duplicate Training Periods	✓
Set machine/equipment availability	✓
Set Suggested Student Usage	✓
Set required Safety Skills Assessment	✓
Allocate specific training sessions to individual course	✓
Set machine/equipment availability	✓
Edit Student Training Record	✓
Record Safety Demonstrations	✓
Record Safety Skills Competency	✓
View Course Training Register	✓
Reset User Passwords	✓
Configuration – over 20 site specific configurable features	✓
Online Video Tutorials	✓
Teacher Access to Training Sessions	✓
OnGuard J-I-T Mobile Web App – BYOD application	✓
Supported Learning Packs	✓

Training Units listed by Curriculum Pack

Our **OnGuard ACEProPLUS** is an established eLearning safety training resource for the education sector, recently launching a BYOD application. This training application fulfills a need in 'workshop safety' eLearning for students of secondary schools, trade centres, universities and technical colleges.

OnGuard's aim is to provide and continue to develop eLearning safety training resources that D & T teachers can utilise, "off the shelf" with their students. eg: Safe operating procedures, identified risks and hazards for each machine, knowledge tests and safety certificates.

The packages used to improve student workshop skills can be tailored to you facility's curriculum offering and teaching/learning needs.

Below is a summary of each curriculum pack and its contents.

Work Health and Safety – Induction Short Course

The Work Health and Safety Short Course is included in the LMS (Learning Management System) setup for every initial curriculum pack purchased. This short course includes (18 learning elements):

- Accessing First Aid in Workplaces
- Computing in Workplaces.
- Container Labels and MSDS in Workplaces
- Controlling Hazards and Risks in Workplaces
- Duty of Care in Workplaces
- Fire Safety Equipment in Workplaces
- Hazard Identification in Workplaces
- Hazardous Substances in Workplaces
- Manual Handling in Workplaces
- Personal Protective Equipment in Workplaces
- Reporting Hazardous in Workplaces
- Responding to Incidents in Workplaces
- Risk Management Principles in Workplaces
- Role of WHS Personnel in Workplaces
- WHS Acts, Legislation and Regulations in Workplaces
- WHS Communication Processes in Workplaces
- Work Health & Safety Practices in Workplaces
- Workplace Safety Signs in Workplaces.

Note: This pack has been based on Australian WHS "Best Practice" legislation.

Curriculum Packs – Learning elements are generally based on items of equipment or machines.

The Basic D & T Pack Range

Basic Metal Pack

(16 learning elements) LPG Equipment, Magnabend Folder, Metalworking Handtools, Pan Brake Folder, Soft Soldering Equipment, Spot Welder – Portable, Buffing Wheel, Guillotine & Bench Shears, Metal Turning Lathe, Disc Grinder, Electric Arc Welder, MIG Welding Machine, Nibbler, Oxy Acetylene Equipment, Pipe and Tube Benders & Sheetmetal Curving Rolls.

Basic Wood Pack

(16 learning elements) Disc Sander, Disc and Belt Sander Combo, Orbital Sander, Random Orbit Sander, Scroll Saw, Vertical Spindle Sander, Wood Machinery Safety, Woodworking Handtools, Wood Turning Lathe, Belt Linisher, Belt Sander, Biscuit Joiner, Festo Domino Jointer, Router, Staple Gun & Trimmer.

The Basic D & T Pack includes Basic Workshop and CleanTech Free of charge*!

*Basic Workshop

(29 learning elements) Battery Drill, Battery Jigsaw, Battery Screwdriver, Bench & Pedestal Drill, Bench & Pedestal Grinder, Buffing Wheel, Compressed Air Equipment, Electric Drill Portable, Electronic Safety, Electric Soldering Iron, Finishing Materials, General Machine Safety, General Workshop Safety, Heating Ovens, Hot Air Gun, Hot Melt Glue Gun, Introduction to workshop PPE, Jigsaw, Plastic Strip Heater, Power Tool Safety, Pyrography Hot Poker, Spray Painting Booth, Workplace Safety Signs, Metal Craft Tools, Dremel Rotary Tools, Oscillating Multi-tool, Bottle Rocket Launcher, Knives – Utility/Craft & Hegner Comb Jointing Machine.

*CleanTech

(6 learning elements) 3D Rapid Prototype Printer, CNC Lathe, CNC Router, Laser Cutter, Vacuum Former and 3D Benchtop Milling Machine.

The Complete D & T Packs

MetalTech Pack

(33 learning elements) Metal Abrasive Cut-Off Saw, Angle Grinder, Belt Linisher – Grinder, Buffing wheel, Disc Grinder, Drilling Machine – Geared Head, Drill-Mill Machine, Electric Arc Welder, Guillotine & Bench Shears, Hydraulic Press, LPG Equipment, Magnabend Folder, Metal Bandsaw, Metal Bandsaw – Horizontal, Metal Cutting Circular Saw, Metal Turning Lathe, Metalworking Hand tools, MIG Welding Machine, Milling Machine, Milling Machine – Horizontal, Nibbler, Oxy Acetylene Equipment, Oxy Propane Equipment, Pan Brake, Pan Brake (Hydraulic), Pipe and Tube Benders, Plasma Cutter, Power Hacksaw, Shaping Machine, Sheet metal Curving Rolls, Soft Soldering Equipment, Spot Welder & Spot Welder – Fixed.

WoodTech Pack

(35 learning elements) Bandsaw, Belt Linisher, Belt Sander, Belt Sander >100mm, Biscuit Joiner, Blade Sharpener, Disc & Belt Sander Combo, Disc Sander, Dowelling Machine, Drop Saw, Drum Sander, Electric Planer, Festo Domino Jointer, Jointer Planer, Mortiser Saw, Orbital Sander, Panel Saw, Portable Circular Saw, Radial Arm Saw, Random Orbit Sander, Router, Router Table – sliding, Router table – Fixed, Scroll Saw, Spindle Moulder, Staple Gun, Table Circular Saw, Trimmer, Vertical Spindle Sander, Wall Saw, Wide Belt Sander, Wood Machinery Safety, Wood Thicknesses, Wood Turning Lathe & Woodworking hand tools.

The Complete D & T Pack includes Basic Workshop and CleanTech Free of charge*!

Additional Curriculum Packs

The Basic Pack Range

Basic Auto Pack

(5 leaning elements) Automotive Workshop Safety, Automotive Hand tools, Automotive Lifting Equipment, Automotive Hazardous Substances & Hydraulic Press.

Basic FoodTech Pack

(8 learning elements) Domestic Appliances, Food Preparation Appliances, Food Technology Safety, General Kitchen Safety, Knives 18cm Blades, Kitchen Knives, Microwave Oven & Ovens.

Basic Textiles Pack

(9 learning elements) Electric Iron, Hair Dryer, Industrial Sewing Machine, Overlocker, Rotary Fabric Cutter, Sewing Machine, Textile Tools, Textile Technology & Electric Frypan / hotplate.

The Complete Pack Range

Agriculture Pack

(9 learning elements) Agriculture General Safety, Agriculture Hazardous Substances, Agriculture Farm Vehicles, Agriculture Tractors, Hand Operated Power Equipment, PTO Equipment, Working with Horses & Cattle Safely, Working with Poultry & Fowl Safely and Working with Small Livestock Safely.

Construction Pack

(11 learning elements) Angle Grinder, Circular Saw, Concrete Mixer, Jack Hammer, Masonry Saw, Masonry Saw – Portable, Panel Saw, Reciprocating Saw, Table Saw, Panel Saw & Nail Gun.

Drama Pack

(4 learning elements) Safety in drama and theatre, Electrical safety in drama, Manual handling in drama & Working at Heights in Drama.

Hospitality Pack

(20 learning elements) Bain Marie, Bratt Pan, Coffee Grinder, Combi Oven, Commercial Dishwasher, Deep Fryer – Bench mounted, Deep Fryer – Floor standing, Domestic Appliances, Espresso Machine, Food Preparation Appliances, Food Technology Safety, General Kitchen Safety, Knives 18cm Blades, Kitchen Knives, Microwave Oven, Ovens, Salamander, Electric Cooktop & Gas Cooktop and Gas oven. (Future units to include: Meat Slicer, Commercial Mixer, Cool Rooms, Mandolin).

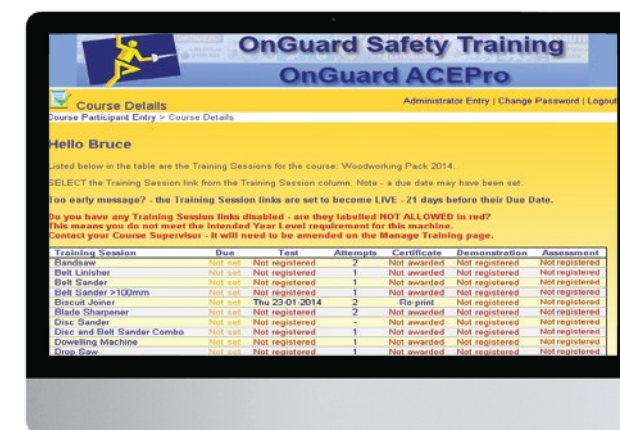

Physical Education/Sport Pack

(8 learning elements) Participating in High Risk Sports Safely, Participating in Team Sports Safely, Participating in Aquatic and Water Sports Safely, Participating in Outdoor and Adventure Sports Safely, Participating in Individual Sports Safely, Participating in Recreation Sports Safely, Participating in Dance & Rhythmic Sports Safely & Participating in Relaxation Sports Safely.

Science Pack

(15 learning elements) Electrical Apparatus Safety, Fire Prevention in Science, General Laboratory Safety, Handling Animals in Science Safely, Handling Biological Specimens Safely, Handling Plants in Science Safely, Hazardous Substances in Science, Laboratory Glassware Safety, Personal Protective Equipment in Science, Radiation and Laser Safety, Safety in Chemistry, Safety in Geology, Safety in Physics, Science Field Trip Safety & Water & Weather Studies Safety.

Introducing the Just-In-Time Mobile Web

Just-In-Time Mobile Web

Access Cloud Safety Training

Access the OnGuard ACEProPLUS Safety Training Program. Users scan the QR Code attached to the machine, launch the Safe Operating Procedure, read/listen to the content and complete the online knowledge test..... the training session is recorded on the user's training record, for later retrieval and reporting.
